In the Matter of:

Meleen Corporation (Respondent)

38666 Highway 169

Onamia, MN 56359

Docket No. RCRA-05-2013-0013

Dear Ms. Whiting-Beale:

I am the attorney representing the Complainant, EPA, Region 5, in the above-referenced matter. This is to inform you that EPA, Region 5, accepts the offer of the Office of Administrative Law Judges to participate in the Alternative Dispute Resolution (ADR) process described in Chief Judge Biro's letter of October 29, 2013, which requires the parties to inform you of their intent to participate in ADR by November 12, 2013. I have communicated with the attorney for Respondent Meleen Corporation and it is my understanding that Respondent will independently inform you that it also elects to participate in ADR.

EPA looks forward to the ADR process. Thank you for your assistance.

Sincerely,

Kevin Chow
